

THRIFTY Shopper Card

Receive a card punch for every \$10 you spend. Fill your card with 20 punches and you will receive \$10 off your next purchase of \$20 or more during a subsequent visit to our shop.

Thrifty Shopper Card Official Rules

- Thrifty Shopper Club participants will receive one punch on their Thrifty Shopper Card for every \$10 spent on merchandise (including tax). For example, a merchandise purchase totaling from \$10.00 to \$19.99, the participant will receive one punch on their card; from \$20.00 to \$29.99, two punches, etc.
- Tax associated with each purchase is included in the final purchase amount, and is included when figuring the number of earned punches.
- Each completed Thrifty Shopper Card enables a participant to receive \$10 off a future purchase of \$20 or more during a subsequent visit to Fabulous Finds on Fulton.
- Multiple completed Thrifty Shopper Cards may be used on one transaction. However, there must be at least a \$20 purchase amount for each \$10 discount given on the transaction. For example: if a customer wishes to use two completed Thrifty Shopper Cards for a combined \$20 discount (\$10 x 2 completed cards), the purchase amount of that transaction must be \$40 or more.
- If you have multiple partially punched cards, we will combine the punches onto one card. You must surrender the partially punched cards at that time ~ no discount will be given for partially punched cards. If there are any remaining punches after combining your partially punched cards to one card, the remaining punches will be added to a new card.
- Thrifty Shopper Cards may not be redeemed during Changeover, our two annual storewide clearance events.
- Punches must be given at the time of purchase, as Assistance League volunteers cannot provide any punches based on presenting a receipt from a prior purchase.
- Rounding up the final purchase is against program rules ~ this is especially true since we are including tax in the final purchase amount.
- Thrifty Shopper Cards cannot be redeemed for cash.
- Thrifty Shopper Cards remain the property of Fabulous Finds on Fulton. Thrifty Shopper Cards will be voided if forged, altered or mechanically reproduced.
- Fabulous Finds on Fulton is not responsible for lost or stolen cards.
- Use of the Thrifty Shopper Card indicates that the cardholder / participant acknowledges these Thrifty Shopper Card rules.
